Bishop Michael Curry

*Two billion people watched Bishop Michael Curry deliver his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle (now the Duke and Duchess of Sussex) at Windsor Castle. Here, he shares the full text of the sermon, plus an introduction and four of his favorite sermons on the themes of love and social justice. The world has met Bishop Curry and has been moved by his riveting, hopeful, and deceptively simple message: love and acceptance are what we need in these strange times.*

✠ **Do you have the gift of serving, connecting, listening?** Would you like to grow that gift, and join others in deepening your Christian spiritual life? As you've seen in previous bulletins, we're setting up an expansive Pastoral Care Team. Specifically, we're going to establish a Community of Hope ([www.cohinternational.org](http://www.cohinternational.org)) — a new ministry initiative, a community of caregivers, and, at first, a 14-session training program to fully equip you to be pastors with one another. The St. Mary's Community of Hope, representing four County parishes, will meet on the 1st & 3rd Wednesdays of each month from 6:30-8pm at Banneker Elementary School, just north of Leonardtown. First session is Wed. March 20, 6:30pm. Interested? Curious? Contact Fr. Chris today, and we'd love you to join our Community of Hope!

✠ **St. Mary's Community Groups**—This spring we will be offering three Community Groups in St. Mary's County. Community Groups are opportunities to meet with others in your area to grow deeper Christ-centered relationships around fellowship, discussion of God's Word, and prayer. You'll be encouraged to live out truths you discover in the Bible as you encourage others to do the same. These groups will meet for eight weeks. We encourage you to participate in one of the Community Groups closest to your home. We look forward to seeing what God is going to do in and through you as you continue to grow in your relationship with God and your neighbors. This semester we will be using the book: *The Gospel in Life: Grace Changes Everything* Study Guide by Timothy Keller

We are offering three community groups in St. Mary' County:

- Tall Timbers Community Group**--Tuesdays @ 6:00pm starting March 12, 2019

### REFLECTIONS ON THIS SUNDAY'S READINGS — THE SEVENTH SUNDAY AFTER EPIPHANY—YEAR C

Again, the theme of Epiphany, the manifestation of Christ, is the focus of the liturgy. The "sermon on the plain" continues today with Jesus teaching about the way members of God's Kingdom relate to other people. Here our behavior is to reflect God's behavior toward us. We are to love, to forgive, and to be generous because God loves us, God forgives us, and God is generous to us.

In the first reading, a model of forgiveness and love are given in the story of Joseph and the ten brothers who had sold him into slavery. Joseph's forgiveness is unconditional and is the means by which God saved the people of Israel for their future vocation.

In this last portion of 1 Corinthians, Paul continues to explain the resurrection. Here he is confronting a notion held by some in that congregation that human beings are purely spiritual beings trapped in sinful, material bodies and that certain people with special spiritual gifts can escape their material existence. Paul's message is that human beings are material but are destined, through the resurrection of Christ, to be raised themselves with spiritual bodies. It is only through the dying and rising of Jesus, not through special knowledge or gifts, that this can take place.

It is always God whose actions come first. Jesus is the manifestation of God's generous love and forgiveness. Our response is to show forth that divine love and forgiveness in our own lives. We are to be epiphanies of God's love to the world. We find God's love revealed in the Eucharist and we in turn are sent forth to embody that love in our lives.

## BULLETIN INSERTS

### February 24, 2019 – Epiphany 7 (C) What Is Lent?

Today is the Seventh Sunday after Epiphany, which brings the season of Epiphany very near to its end. In 10 days, the church will begin observing Lent. Ash Wednesday falls on March 6 this year, and marks the beginning of the season of Lent, the 40-day period before Easter.

The period of 40 days, which traditionally does not include Sundays, commemorates the “40 days and 40 nights” (Matthew 4:2) that Jesus fasted in the desert and then resisted temptations from Satan.

*Ash Wednesday marks the beginning of Lent on March 6.*

The word “Lent” comes from an Old English word for “spring,” and is derived from the German word “lang,” meaning “long,” because during this season before Easter, the hours of daylight become longer.

The Book of Common Prayer explains Lent in this way: “The first Christians observed with great devotion the days of our Lord’s passion and resurrection, and it became the custom of the Church to prepare for them by a season of penitence and fasting. This season of Lent provided a time in which converts to the faith were prepared for Holy Baptism. It was also a time when those who, because of notorious sins, had been separated from the body of the faithful were reconciled by penitence and forgiveness, and restored to the fellowship of the Church (Book of Common Prayer, pp. 264-265).

The Episcopal Church invites us to observe Lent “by self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God’s holy Word” (Book of Common Prayer, p. 265).

## **Saturday, February 23 - 7:30 pm**

Tom Mitchell and Jim Stephanson bring their own swinging mix of hot jazz, country blues and hokum to Southern Maryland! It is a real treat to see two extremely talented musicians playing off each other, swapping licks, and just having fun. This is music for acoustic guitar music lovers. Influences of soulful blues and raucous swing, will take you on a trip through time, from the roaring 20's and 30's, from Mississippi John Hurt, Blind Blake, the "hot club" swing of Django Reinhardt, the western swing of Bob Wills & The Texas Playboys to the music of the great Fats Waller. The Blue Rhythm Boys play the music they love, and their great delight and considerable chops will be evident pretty quick into their first set. Tom and Jim have played in just about every state in the union and many countries as well, and if you ask, they will say the best gigs are playing for folks that love the acoustic sound of music that is sophisticated in the way it is played, not in what it is processed through.
